

## The Venetian Resort-Hotel-Casino

\*\*\*\*\*

LAS VEGAS

In the heart of Las Vegas, on the world-famous Strip, is this spectacular, magical and inspirational resort. It captures the essence of Venice, with waterways, gondolas and replicas of the city's landmarks including Doge's Palace and St. Mark's Square. The Venetian is breathtaking.

**ROOM FEATURES** > 4,027 suites boast a minimum of 650 luxurious square feet and an accommodating king-size or two queen beds. These suites also feature a 130-square-foot marble-finished bathroom, a sunken living room with full-size sofa sleeper, a dining table with chairs, refreshment center, two 27" televisions, in-suite safe, three dual-line telephones and separate modem line. Recently refurbished, many consider these to be the best rooms in the city.

**HOTEL RECREATION AND AMENITIES** > Entertainment includes: Phantom, Blue Man Group, popular comedian, Wayne Brady, and Madame Tussauds wax museum. The Grand Canal Shoppes is a one-of-a-kind attraction with boutiques and restaurants lining a quarter-mile of cobbled streets beside a replica of a Venetian canal. There's also a five-acre pool deck with three pools, five bars, a wealth of restaurants, serving all manner of cuisine, and nightlife that's unrivaled with nightspots like TAO Las Vegas and V Bar.

**SPA** > The 130,000-square-foot Canyon Ranch SpaClub® is a leading-edge health spa and fitness oasis. Here, you'll find a haven to relax, refresh, and regroup between forays into the world's liveliest, nonstop city. Work out, have a massage, or a rejuvenating body treatment. Beautify yourself or just relax and refresh in this serene retreat. Enjoy delicious spa cuisine at the Canyon Ranch Grill. Everything you want and need, including the only hair and nail salon in The Venetian, is right here.
